My husband and I would like to express our sincere sympathy to the family and friends of your beloved Ethel. Although we never had the opportunity to meet Ethel personally, we wanted to share with you comfort from Gods word, found in John 5:28,29. Here we are given the wonderful hope of the resurrection of our dear loved ones here on earth, just as Lazarus was in John 11. We are also reassured of our Heavenly Fathers compassion for mankind when someone we love dies. Share your memories with those who around you, for memories shared are memories cherished, may they bring peace and joy to your hearts as you begin to heal. Take care of yourselves and each other during this very difficult time.
