Jackie & Family, I am so sorry for your loss. There are so many memories that I will keep close to my heart. I loved him like my own father as I love all of you as my own family. He is now able to spend time with his son whom he has not seen in over 20 years. What a glorious reunion that must have been. Also with his mother and father as well. I am not able to come in town as I was hoping to. But, I will come and see you when I come in town next. Please take special care of yourselves. I love you all. Love, Toni (Wagner) Bray
