Irving, you left us way to soon. All of us miss you. I miss your smile. You had the best smile. I wish things had been easier for you. You worked hard for anything you had. I wish you hadn't had the hard life as a child and a young man. You are with the rest of our family God Bless and I miss and love you.

Well that is one persons view. Move a long and let this man be in peace. I dont believe it for one minute. You like to make up things about everyone.

No not everyone misses him. Like I said "Erin's Law" (look it up) was created for people like Irv. He made his sister Cindy's life a nightmare that still exists today.

Irv, Something called 'Erin's Law' was created for people like you. You now have God to atone to.

Maybe you need to concentrate about why you got a divorce. You lied to everyone and said you were beat. Unknown to us you cheated on him when he was away at sea. Gosh you need to count your blessings and let your family rest in peace. I will be praying for you. 🙏🙏
