Dear Kirk and Jeff, Your Dad and my Dad (Lou Struensee) started as best friends in college with a life time of memories in between. One I always remember were the fun-loving house boat rides on Peggy of my Heart and Patio. The jumping off of top deck, hand and hand , yelling "geronimo." Why we yelled "geronimo" is still a mystery me? And the 4th of July parades, fireworks ,fish boils , swimming, water skiing, trampoline ,snowmobiling and just basic kids stuff growing up. My condolences to you and your family on the passing of a great and wonder human being. Bob will surely be missed by all. Take Care.Lynn Dahlgren(Struensee)

Jeff and Kirk;Your father was a blessing to me. He befriended me at a low point in my life and helped me work my way back to a good life. I know that he was instrumental in helping many folks over the years and he always kept his part quiet in those endeavors. He was a deeply caring man and I am so glad that he was my friend for 23 years. I will miss him and our cribbage games, with Betty coaching us both.your friendMike Howerton
