My prayers go out to you, the whole family and to Uncle Steve and Aunt Judy as well. I can't imagine the pain you are having to go through with this unexpected loss. It's never easy to say goodbye and Chad was so young that it's even harder. I'm very sorry! I haven't seen Chad since he was a very little boy, maybe 5 or 6 years old, so you likely don't know who I am but as one of the many cousins in the family, I will keep all of you in my thoughts and prayers and send my love.
