Leslie Clark posted:

We are so saddened by the passing of Jeanette or "Clutch" as we always called her. Clutch and Jake were dear friends of my parents for over 40 years and had many, many years of fond memories together. They cherished seeing Jake and Clutch every winter in Gulf Shores for fun card games, lots of jokes and wonderful dinners together. Personally, I remember coming to Oshkosh with my parents in high school and Clutch and Jake took us out on their beautiful lake to teach me how to water ski. I really appreciated her generosity and kindness...not to mention Clutch's sense of humor. Our thoughts are with you during this difficult time.
