Tracy Stadler was one of my best friends since we were in kindergarten. I recently hooked back up with him and would help with yard work and other small things he needed. He called me just a short time ago and I knew something was not right. We ended in saying we loved each other. Tracy and his family are very special and extremely gifted artists. With my deepest sympathy and love, Tony Reese

So sad Tracy passed away. He gave me a big hug once when I saw him. I knew him since middle school. So sorry for his family.

I am very sorry to hear of Tracy's passing. I worked with him many, many years ago at Perkin's and he always made long shifts bearable. Prayers to his family.
