Barb was such a wonderful, kind, caring person. After working as a hair stylist for 50+ years, she seemed to know everyone and she loved to talk to everyone. She always went out of her way to help her friends and anyone else in need. She loved to travel and was able to go on many trips. She had some wonderful stories to share about her travels. She loved children, my girls have some special memories of Barb coming to our house to play babies with them and read them books. I have so many fun and wonderful memories that I will cherish. Rest in Peace Barb.
