Marjorie L. Hymer

MAY 8, 1929 - MAY 18, 2021

Marjorie L. Hymer of Oshkosh, WI passed away peacefully on May 18th, 2021. Marge was born on May 8th, 1929 in Milwaukee, WI to Robert and Hildegard (nee Maedje) Lewis. After high school she attended U-W Madison, where she met her husband, John R. Hymer. Marge graduated with a business degree and worked at Kimberly Clark as an IT Support Manager and later an Account Payroll Manager.

Marge was a prominent member of the Baha'i Faith, serving as Treasurer of Oshkosh Local Spiritual Assembly for over thirty years. She lived her life through the example of love, giving, unity and integrity. Marge loved all things Wisconsin including watching the Green Bay Packers and the Brewers. But her true passion was for UW-Madison. Marge was a third generation UW-Madison alumni behind both her parents, grandfather and several aunts and uncles. She passed that love on to her son Rick, and several of her grandchildren who attended UW-Madison.

While Marge loved all her children, she had a special place in her heart for her daughter Sue, whom she helped for many years. However, if you asked Sue, she was always busy "taking care of Mom." Throughout her lifetime Marge loved spending time with family and friends, researching her family ancestry with her cousin Barbara and being outdoors. It is through her life and generosity that her children, grandchildren and great grandchildren have special memories of time at the family cottage, fishing, swimming, and enjoying nature.

Known to her grandchildren as "Mema" she will be remembered as caring, supportive and humble in character. She attended every family event she could and showed interest in all her grandchildren's lives and interests.

Marjorie will be dearly missed by her children: Richard (Deb), Linda, and Becky (Tony), brother-in-law Steve (Joan) Suhm, grandchildren: Kristin Kalmerton, Sara (Tyler) Trampe, Joshua Schmidt, Julie (John) Kaprelian, Kelly (Tim Tesser)

I had the honor of caring for Marjorie at Mayberry Manor. From the moment she came through that front door I knew there was something special about her. For a woman over 90 years old, she amazed me with how strong she was. Determined too, and wanted to do as much for herself as she could. But what really touched my heart was her strength of character. She NEVER complained and was kind to everyone. Her sense of humor gave me many laughs. Her wisdom and wit often left me thinking long after I had gone home for the day. By looking around her room you could clearly see that she had touched many lives over the years, and that family was everything. I have spent over 30 years now taking care of people and never, have I ever seen such a devoted, loyal, dedicated, and loving family. They were there for Marj every single day. I thank them for sharing her with us and for also sharing stories and memories about her that made me laugh. Certainly, Marj has taught me that every day should be enjoyed and this lovely family has taught me to remember how precious life is and quickly it passes by. My deepest sympathy and hugs to all of you. She will be truly missed.
