A private funeral Mass will be held on Wednesday, February 23, at 11:00, at St. Peters Church in Oshkosh, Fr. Jerry Pastors and Deacon Bob Precourt officiating.

I attended Lawrence University with Diane. She introduced me to Joni Mitchell's Court and Spark album, which still ranks as one of my all time favorite albums. She was a soft spoken woman with a keen intellect. I enjoyed our conversations. God rest her soul.

Diane was a person with a beautiful spirit, kind heart, gentle nature, and a person of deep insights and talents. Diane was humble and gracious and I don't think she ever would have realized how many lives she impacted in positive ways. I will miss our visits and always remember her beautiful spirit. The Earth became a better place when Diane was born....

Dated Diane a couple of times. I took her to summerfest. She was a beautiful soul and I am sorry to learn of her passing. This was in high school.

If this is the Diane Larie who went to Lawrence University in the early 1970s, then I want to say how sorry I am to hear this news. We dated briefly at Lawrence, and I remember her as a sweet, sweet person who cared about the world around her. I am trying to imagine now the ways she must have made things better for the people in her life.
