Jack Perlberg

MAY 18, 1935 - DEC 28, 2022

Jack Perlberg, born May 18, 1935, died December 28, 2022.

Jack loved to talk about his service in the Air Force, working on the U2 Spy Plane Project in the 1950's. After 30+ years Jack retired from ADT Security Systems where he worked in Milwaukee, Detroit, Fort Wayne and back to Milwaukee as a salesman and branch manager. Jack's joys in life were time spent with his grandchildren, weekends with family and friends at the Shack in the North Woods and time on the links with his Skill Ability buddies in Delafield. The grandkids loved breakfast with grandpa, especially his famous silver dollar flapjacks. His many flavors of soups and cookies were the rave, as they were often requested by his many admirers. He will always be remembered with a smile on his face and a welcoming hug.

Jack is survived by his wife; Lollie (Manning) Perlberg, 5 sons; Kevin, Jeff (Carol), Chris, John and Michael Didway, brother; James (Shirley), sisters-in-law; Pat Perlberg and Mary Lou Perlberg. Jack is further survived by 8 grandchildren; Kaila (Willie) Beaudry, Rachel, Nichole, Chloe, Kristen, Morgan, Kraig (Lauren) Perlberg and Johnathan Didway and one great-grandchild; Chip, as well as many nieces, nephews, cousins and good friends.

Jack was preceded in death by his mom and dad; Alyce and Izadore Perlberg and 2 brothers; Jerry and Denny.

Funeral services will be held at Calvary Lutheran Church (2580 W 9th Ave, Oshkosh, WI) on Saturday January 28, 2023 at 12:30. Visitation will be held from 11:00 AM until the time of service, at church.

The Perlberg family wants to thank Little Chute Health Services and Compassus Hospice for amazing and compassionate care, they all were truly angels.

I remember my first time going to The Shack for deer hunting. I knew a few of the guys that were going to be up there, but I was still the "new guy" at camp. I had met Jack maybe once or twice before this day. I was making the rounds saying hi and introducing myself to all the guys. I finally got to Jack, who was parked next to the wood stove. I shook his hand, and before I could get one word out he looks at me and says, "who the hell are you?!" I proceeded to tell him who I was, and he responded, with his grin, "well damn glad to have you here." His welcoming smile and presence will be something I will never forget and will forever be grateful for. See you back at the shack Jack.

Lollie and all the boys, sorry to hear about Jacks passing. He was like a second dad to us growing up when you lived in New Haven. Lost touch with you all when I went in the Army. Wish I could attend to see everyone but not able to get up there for the services. Thinking of all of you during this hard time.. Jack will be missed by many but not forgotten by those of us who really knew him. Sending prayers and our condolences during this difficult time.Steven KingsleyMSG Us Army Retired.

Jack was quite a character. He loved being up north at the shack. Treated everyone the same. You knew you were always welcome to come back. I will miss the hearty laugh and off color greetings he always had for me. Lollies and the boys remember he looking down on all of you. Sadly missed Don, Bill and Joe Kulis.
