I have known Jen and the Stellpflug family for more than twenty years. Coming to Oshkosh for the first time in 2000 on behalf of our school's international exchange program (Oshkosh West High School - Immanuel Kant Schule, Ruesselsheim, Germany), there immediately was this chemistry (Do you say that?) between us. So many shared interests, values and beliefs. What a rare and special person, wife, mother, teacher, friend....My condolences to the family.May Jen rest in peace.Frank Krones, Immanuel-Kant-Schule, Ruesselsheim, Germany

There will never be another lady like Jen. She always had a kind word to say and brought so many smiles to the world. My heart and prayers are with you. So rarely in life, we meet someone as special. As you grieve, please know that you're in my prayers.

In addition to all our childhood memories, I will always remember the visit Jen, Paul and the girls took to Florida a couple years ago. They stayed with me and I was reminded just how special Jen is. What an incredible mom she was to her girls! My pups loved her and she was such a positive light. My heart goes out to all of you and I wish I could be there with you all right now!

Jenn was one of the strongest women I knew. She always had a clear vision of what was the right thing to do and she was true to her self! The world has lost a beautiful soul. Hugs to Paul and the girls.

I was blessed to know her. We sat next to each other in church choir for many years. She truly cared for others. Always asked me how my dad was doing. We shared many hugs. She is a warrior. Rest in peace my dear friend.
