I was crushed to read about Guy. I haven't seen him since 1994, but even after 32 years, I still remember him fondly. We hung out almost every day for a year and went on one hell of an adventure together. Guy was a great dude. We had some amazing times cheering on the Mighty Green Bay Packers in the early Favre era. It is wonderful to see how loved he was by so many people. Rest in peace, my friend.

Pete and family. I am so sorry to hear of your loss. I remember spending time as a kid with your family, Guy, Jason and Wendy. I am not able to attend the service but my thoughts, prayers and love to all of you. Pete you have been there for the loss of family on the Matulle side this year so this is so heart breaking to hear the loss of Guy. Take care all of you. Cindy Matulle
