Kathy & Donna! I'm so sorry to see this! We don't have a paper anymore I used to see your Mom at various places. I just lost Mom and Dad. It's a harder time than I ever thought. God bless you all!

Great Grandma was a very special person to me. I loved sharing in her passion for reading and writing letters back and forth. Her sunporch was the perfect reading spot. I will miss her so much!

God looked around his garden and found an empty space, He put his arms around you and lifted you to rest; God's garden must be beautiful for He only takes the best. He knew that you were weary, and He knew that you were in pain, He knew that you would never be well on earth again. He saw the road was getting rough and the hills were hard to climb, so He closed your weary eyelids and whispered "Peace be Thine."

Aunt Irene used to make a hamburger bake dish that we kids all loved! We made it quite often at the cabin, and I got the recipe from my Mom.
