From the time Becky entered High School thru 2023 she always sent me a yearly post card report. The early ones of summer family travel thru her transition to marriage and motherhood. Always about the activities of the year. Travel, skiing, fishing , hiking , volleyball games her son played and more. All with great enthusiasm for family! I will miss her yearly card. Love and eternal peace to you BeckyMr. B. Webster Stanley

I will always and forever Becky's smile and laughter. She could light up a room. When having conversations with her, she was a listener. She cared about people, and loved people. She will truly be missed. Until we meet again, my sister in Christ.
