I have great memories of Doug from my childhood from the Bohn reunions in Waukau to his hunting and fishing treks in Door county with my Grandfather, Elmer Bohn. Doug had a great and adventurous spirit, and lived a fine life. Blessed be, dear Doug.

Doug was my Dads best friend- they have known one another since birth. That meant that I knew Doug since I was a child- he was a regular on our summer family vacations to Wisconsin. I remember his joy and love for me from a really early age. I now have 2 boys, ages 12 and 14. They both know and love Doug. In fact, Doug has taught them how to fish, how to drive a tractor and how to steal corn. :) I have pictures here to prove these claims. Doug was a second father to me and second Grandfather to my boys. We will all miss him greatly. Thank you for the laughs and memories, Doug. Rest in peace.
