Knowing and growing up with Kathy all through our high school until now. I got to know Kathy mother Jean who always had a smile and welcoming into their home as if I were one of the family. She love to tell stories and the gift of cooking for everyone. She truly enjoyed her granddaughter Jody and Jody two son Ethan & Colin who done so much for her throughout the years until the very end of Jean life. Jean will always be part of my life growing up with Kathy and her family. Now she will be at peace and back to her husband Bob who was waiting for her to be with him once again along with the rest of her family and friends.
