Our hearts are breaking for you all. Butch will be greatly missed! Sue and I have so many great memories of Butch from all the great times we had when he and Lou would join us with are various boating escapades; having us over to their house or the many times that you had included Sue and I in your family celebrations of the kids birthdays/Christmas, etc. I always admired how much he loved Lou, Scott & Nichole and Sydney & Carson. His eyes would light up so bright and he'd have the biggest smile on his face whenever you all were around him. You all brought him so much joy that was so undeniable. He had such a big loving heart and he opened and shared it with everyone! I pray that your hearts will heal from the loss of this great man; that you will soon have peace and comfort and that you will be able to rejoice in all the wonderful memories that he had created for you and with you. Sending all of our love, Don & Sue Sawall

So sorry for your loss. Sending hugs and prayers. I have many fond memories of our times together in the past with both Butch and Lou! A great guy. I'm sure he will be greatly missed. 😞 Memories of Lou, Kay Stangel and I going to Wisconsin Dells to meet up with our husbands on break from Camp McCoy summer camp for the weekend. Such fun we had! Lou pregnant with Scott and I with Gina, our first children. Another time camping and riding the rapids on the Wolf River together!... and sharing a tent! Another fun time! So many memories! ❤️😞 Butch you will be missed. Hugs and prayers for you and family. ❤️👤👤👤👤👤 Sharon Stangel
