The Oshkosh Area Humane Society would like to express condolences to Jeffrey, and her entire family. We are sorry for your loss. We know her pets Tammy and Cassey are missing her too. Patricia was a very giving and generous person to the Humane Society, with all her monthly gifts to help care for the animals. We are most appreciative for all she did. Our sympathy to each of you at this most difficult time.

Pat and Jack were my neighbors at Rivermill in Oshkosh. We used to enjoy happy hour in her condo. I was also there when she married Jeff. We used to go out periodically with the other condo neighbors. I moved to FL but would see Pat when visiting WI. I would like to comment on how wonderful Jeff was thru this whole cancer ordeal. He was a terrific husband to her and also cooked! Who could ask for more. I will miss her.

Pat was a special gift that came with a business I purchased from an associate years ago. She was my client and my dear friend. Although we didn't see each other more than a couple times a year, we always enjoyed our lunches and conversations together. She respected me and I respected her. She would bring treats Jeff made for our dogs when she came to my office. Through Pat, I met Jeff who has been an incredible support to Pat over the years and especially these last 6 months. I will miss Pat but her spirit lives in through Jeff.
