I remember you letting me shoot your pistol at a deck of cards, to my first time going to Arkansas with you and Grandma and catching a gecko, to our daily walks, to you waking me up on Saturday mornings by bouncing me on the bed, to me climbing to roof and throwing leaves on the ground, I remember when you lost your finger nail, when you picked us up by our ears, riding in your cop car. I am so happy you're in peace, and reunited with Grandma, Please keep a close eye on me and all my kids (6 of them) I will cherish everyday that you told me how proud you were of me after grandma died. That means so much to me. You were both were the best grandparents ever. I love and miss you so much
