Frederick Krueger

MAR 25, 1939 - MAR 30, 2026

Frederick George Krueger, born March 25, 1939, in Menominee, Wisconsin, spent his first 20 years of life in Knapp, Wisconsin. After graduating from UW-Stout, he became a graphic arts teacher in Oshkosh, Wisconsin. Fritz was a consultant for the National Endowment of Arts for the Hearing Impaired. He also started one of the first flexo graphic printing programs for high school students in the state of Wisconsin, and he was especially proud of his working relationship with the graphic arts industry throughout the Fox River Valley and with the many students who entered the trade. In his later years, he was a volunteer at the Oshkosh Area Food Pantry. Fritz loved the outdoors, spending time fishing in his favorite trout streams and hunting with his son, Tracy, his grandson, Braxton, Alvin, Leon, Lane, Pete, Sid, and others. He also enjoyed downhill skiing throughout the West and physical fitness at the 20th Street YMCA in Oshkosh. He passed away peacefully at the age of 87. Fritz is survived by his son, Tracy, his grandson, Braxton, aka Buckshot, his daughter, Kara, grandchildren, Joseph and Katherine, sisters Paula and Frannie, many nieces and nephews, and some great friends. A special thank you to Dr. Klinkhammer, Monica, Lena, Wendy, and Denise for their great care. He will be dearly missed by all who knew him. A private memorial will be held at a later date. Thank you for everything. You have been the best father a son and grandson could ever have. We will see you in heaven, but not quite yet. We will always have you in our memory and continue the fishing and hunting traditions.

If there is a man who defines legacy by having a lasting impact and instilling traditions with the people that surrounded him, it is Fritz Krueger aka the Ole Buckhunter. For many years, I have had the honor to watch this man be a mentor to his son, his grandson, myself, as well as my sons. Fritzy always wanted the best for everyone and made sure we had a great time. He got the biggest kick out of watching all of us catching fish or harvesting some of nature's bounty. Fritz enjoyed seeing the smiles on our faces (as you can see in the photos) which he always said was the most important part of hunting or fishing. I want to thank you Fritz for showing me how to develop my own legacy and instill that in my own sons. Because of my dad, siblings, father in law, and Fritz, I have become the man I am. I can hear you right now saying "You are a good boy Alvin!" Well Fritz, "You are a good Man!" Thank you for everything!!Allan Last "Alvin Styvinski"

Fritz. We had a lot of good memories with you! My favorite ones were with you when you lived in Winneconne. Lots of fun in all our younger years and better times with all the critters you had running around on your property with Gail. Braxton and Tracy will miss you dearly. I hope you have a grand time in heaven with your mother and father! Love always. Deana.
