September 19, 1943 - September 12, 2020

Dorothy Elizabeth Lambert, aged 76, died peacefully on September 12, 2020 after a heroic battle with an aggressive form of cancer. She was born September 19, 1943 in Manitowoc, Wisconsin to George and Albena Orth. She was educated at Manitowoc Lincoln High School, and married George Lambert on May 29, 1965. Following a career in computer programming at Mirro Corporation and Management Science Incorporated of Appleton, she committed herself to raising her family.

She was a devoted wife and mother who treasured her three children and instilled her love of math and literature in them. Dorothy was well-known for precision in spelling, punctuation, grammar, and loved puzzles and playing games with her family.

As her grown children allowed her time to work again, she took a position at Miles Kimball as an order entry supervisor. She was an enthusiastic volunteer for the Oshkosh chapter of the National Alliance on Mental Illness (NAMI), where she remained active following her retirement. Dorothy practiced her faith at St. Raphael the Archangel Catholic Church.

Dorothy is preceded in death by her father George Orth, mother Albena Orth, brother Delvin Orth and granddaughter Sydney Lambert. She is survived by her brother David Orth, husband George, sons David (Lisa) and Greg, daughter Paige, and two grandsons Reeve and Kaiden.

“ So sorry for the family and friends. I knew her through a rough time in my family’s life. I attended her NAMI class and Family group and gained knowledge although difficult to hear she was attentive to our struggles. Thank you Dorothy

“ Dorothy was very committed to NAMI-Oshkosh. She led groups, did presentations, and tried to talk everyone into volunteering for the organization. She was a dedicated and hard worker for the cause of mental illness.
