“ I worked with Beez at Merrill School. I was the Elementary school secretary for a number of years & got to know Beez while there. He always had a smile for us! One of the aides would prepare the large coffee pot for the next day & Beez always plugged it in so we had our hot before the start of the school day!! Years later, I bought my condo on Campbell Rd which was near his home!! When I'd go out walking, I'd pass his house; if he was outdoors, I'd stop & chat with him!!! He was a very special man! I'm proud to say I had the honor of knowing him! Rest In Our Lord's Peace, Beez!! May He comfort your Loved Ones as they hold onto their memories!!!
