“ My grandmother will be greatly missed. I have many memories visiting McCurdy street to visit grandma and grandpa Zentner. The child hood memories, the summer weekends from my time working summers in Wisconsin. The rockem sockem robot toy she kept from childhood to the famous chop suey dish she always made so well that we all loved, especially Joel! I will miss you greatly and miss spending time in Oshkosh to visit and the view of the airport from her driveway.

“ Oh my gosh Tyler, I can't believe she still had the rock'em sock'em. I guess we all touch each other's lives in some way, we even touched the same toys.

“ My grandmother has always been a loving and devoted grandmother who held on to her personality and charm her entire life. I will always remember fond memories of Christmas (and it's decorations), summer vacations in WI, EAA, and those lucrative piggy banks she kept up so diligently. Very proud to know the history and be part of the Zentner family.
