“ Great Grandma Marie will always hold a special place in my heart. She was endlessly kind to me and always made an effort to be caught up on what was going on in my life no matter how long it had been since we had seen each other last. I will never forget all of the holidays we were so happy to share together and the cute cards she would send me in the mail for my birthday and Christmas. She was a fighter until the very end, but I know she is smiling down on us all from heaven now.

“ Marie was dedicated to her family, and her indomitable spirit encouraged her family and friends to persist in the face of many struggles. I felt very close to Marie, she always had a smile and exciting stories to tell when she visited for family events in Evanston. She embraced my daughter Jenny as her grandchild and always told us how proud she was of her. I have been blessed to be part of Marie's life, and she will be deeply missed. My deepest condolences to the Chapin family. She will be forever in our hearts. Love, Margie
