She was born on February 8, 1951 in Oshkosh to the late Lawrence and Helen (Berndt) Piller. She attended grade school at Sacred Heart and high school at Lourdes Academy graduating with the class of 1969. Deep in Faith she was a lifelong member of St. Jude Parish (Sacred Heart Catholic Church). At the age of 15 she became a "Candy Stripper" at Mercy Medical Center on Hazel. After high school graduation she entered the nursing school at UW Oshkosh and earned her Bachelors of Nursing from UWO in 1973 She worked as a registered nurse in the ICU and later the Cath Lab where she completed 47 years of service with the same hospital before she retired to a less stressful life where she enjoyed time reading, watching the birds, and spending time with her family and friends. Her hard work and drive led to many successes in her journey in nursing and where she touched the lives of many people lucky enough to have known her in that nursing capacity. Bubsy never shied away from a party and even tried her hand at bowling and clogging. She looked forward to EAA's AirVenture each year where many gathered at her house to watch the air show. Bubsy's true pride and joy were her grandchildren, Addison and Grahm, they held a very special place in her heart and she loved spending time with them, never missing a chance to spoil them with love and treats.

“ Shelly and family. I am truly sorry for the loss of your mother. The time I had met her, she was a very happy person. No words can help, but my prayers are with your family.

“ February 18,2021

I was a classmate of Bubsy's at Lourdes. We had many good times. After graduation, we drove to Santa Barbaras for a couple weeks. We stayed with Carol Boucher's anunt and uncle.

Bubsy was the only person I trusted to drive my bug car. Carol could not reach the clutch, and Purtell was an airhead.

MY mom, Pat Burr was a nurse with Bubsy. She always told me that Bubsy sure knew her stuff in the cat. lab.

We were also in the nurses club at Lourdes, and we went on trips to check out the hospitals in Milwaukee, and Madison. We had bake sales to help provide money for out trips to exsplore the Southern schools in Wisconsin and hospitals.

My son'S best friend was Brent Presentka from Madison. Tjhey plaeyed baseball together in higt school. Also, they were roommates Freshman year at MATCV.

What a small workld!!!

You will be in my memory forever. Peace to your family.

Sincerely, Linda Burr Petit

“ When I needed to be in the hospital for a procedure I could always count on Bussy to be near. She never let me down. She will be missed.

“ We miss all the 'old' Leroy's bowling team. Bussy at the Rec lanes was great. But, I've known her most of my life. I'm so sorry that she has gone.
