“ His daughter Felicia is my best friend. I also took care of him in the hospital a few times and he was spunky and a fighter and you wouldn't believe how much he loved to talk to me about all his grand kids from both girls. He always said "I would do anything for those kids". He was a good man. My condolences to all of you.

“ My memories of Mike goes back decades! He was always willing to lend a hand to assist others and concerned with how everyone was doing. I'll never forget his laugh. It came from his heart.
My deepest condolences to the entire family for they shall miss him immensely, as shall I. I'm sure his dad is enjoying seeing his sons once again and are united in Heaven.
May God grant us tranquility during this time. May our memories keep Mike alive here on this side of Glory.
