“ My Aunt Pat was a lovely woman and an incredible seamstress. I can remember spending countless hours with my cousin Kathy pulling seams. We grumbled about it but the reward was me having a sleep over and spending time in the secret "attic". My favorite memory was going to Aunt Pat and Uncle Leon's house to watch the Wizard of Oz. They were the 1st in the family to have a colored T.V. As children we were simply mesmerized! Rest in eternal peace dear Aunt Pat. I love you.
